Diary 26, 1916 January 10-11	<p style="text-align: center;">-10<sup>th</sup> -</p> <p>Getting ready to present objections to Com. on Mines &amp; Mining tomorrow against approval of bill to appoint a Commission to Raise the U.S. Mineral Laws.</p> <p style="text-align: center;">-11<sup>th</sup> -</p> <p>Appeared before Com. on Mines &amp; Mining this morning &amp; spoke for an hour in opposition to the Taylor Bill - on Revision of the Mining Laws. The Walsh bill for the same purpose passed the Senate yesterday - no argument - no notice - nobody knew about it or paid any attention to it. You can get most anything through the Senate!</p>
Diary 26, 1916	<p style="text-align: center;">-12<sup>th</sup> -</p>

January 12	<p>Called to see Mr. Edes, Ch. Alaska Eng. Bd about App. for Alaska Ry. Tallman, G.L.O. is making much objection to approving my bill to give Judge States his two lots in Juneau - most get some additional facts to support our claim.</p>
Diary 26, 1916 January 13-15	<p style="text-align: center;">-13<sup>th</sup> -</p> <p>Finished my talk to the Committee on Mines &amp; Mining in opposition to the Bill to authorize the President to appoint a Commission to Revise the U.S. Mineral Land Laws -</p> <p>Dr. Council, of Cordova, called.</p> <p style="text-align: center;">14<sup>th</sup>.</p> <p>Mr. <u>John F. Commission bill are hunting up the M.C.'s from western states &amp; urging them to keep in the passage of the bill - Baker of Cal. supported it today &amp; Sinnott, of Oregon.</p>
Diary 26, 1916 January 16-17	<p style="text-align: center;">-16-</p> <p>Sam Bonnefield of Fairbanks is in town. Sam was for many years the boss gambler at Juneau, and later at Dawson: he came to Fairbanks an 1904 and organized and became President of the 1st National Bank - but when it went to pieces in 1907 he went crazy &amp; has been more or less off mentally since.</p> <p style="text-align: center;">-17<sup>th</sup> -</p> <p>Final hearing today before Com. on Mines &amp; Mining of S. 53 &amp; H.R. 18, bills to appoint Com. to Revise U.S. Mineral Land Laws.</p>

	<p>Senator Smoot begged manfully to get me to withdraw my objections that bill be reported favorably - but I could not do it. H.C. Strong of Ketchikan called - He is trying to cut Alaska fish out of Prince Rupert by a tariff tax!</p>
Diary 26, 1916 January 18	<p style="text-align: center;">-18<sup>th</sup> -</p> <p>Received a letter from Ed. C. Russell, ed. Juneau "Dispatch" asking me to meet him &amp; Shackleford in Seattle about Feb. 1st to conclude a political treaty of peace. <u>I will not do it!!</u> <u>Shackleford is a liability &amp; not an asset.</u> Called on 1st Asst. Postmaster General Roper, today, and took up at some length the matter of moving the Fairbanks Postoffice into the Wash-Alaska Bank Bld. which we bought this summer with the \$15,000. Appropriation which I got in the Sundry Civil app. bill of last spring. Don't yet know what he will do. He appointed Mrs. Christianson, P.M. at Seldovia, for me!</p>
Diary 26, 1916 January 19-20	<p style="text-align: center;">-19<sup>th</sup> -</p> <p>Called on Hon W.H. Parry, member of Fed. Trade Commission - from Seattle - Learn that Com. on App. has agreed to report \$2,000,000 immediately for Alaska Ry. And again I am in trouble with the</p>
Diary 26, 1916 January 20	<p style="text-align: center;">20</p> <p>Alaska Fisheries Bill. The Corlin bill was introduced on the first day of the session &amp; referred to the Com. on Ways &amp; Means. I prepared a brief on the jurisdiction of that Com. in a letter directed to</p>

	<p>Judge Houston, Chairman of the Com. on Territories. He took it to Mr. Claude Kitchin, Chairman of the Com. on Ways &amp; Means &amp; to Speaker Clark, and secured an agreement by which the bill was transferred to the Com. on Ter. In the meantime I had introduced a bill on the same subject - the Speaker held my bill till the matter of jurisdiction was settled &amp; then also referred it to the Com. on Territories.</p>
Diary 26, 1916 January 20	<p style="text-align: center;">20</p> <p>We assumed that settled the matter for all time - but today Mr. Alexander of Mo. introduced a bill - the Carlin bill as revised by the Secretary of Commerce &amp; it was referred to the Com. on Merchant Marine &amp; Fisheries, of which Judge Alexander is chairman. Now we have the two bills before the Com. on Ter. &amp; the revised bill before Mer. Marine &amp; Fisheries!! When I informed Judge Houston about the reverence of the Alexander bill he was angry. He called Judge Watson, of Virginia, a member of the Ter. Com. into conference and they started an investigation! Another hearing today before</p>
Diary 26, 1916 January 20	<p style="text-align: center;">20</p> <p>the Com. on Mines &amp; Mining on the bills to appoint a Commission to revise the U.S. Mineral Land Laws - Taylor of Colorado, who introduced the House bill is hunting up every member whom he can get to appear before the Com. to come and demand the passage of the bill - Mondell &amp; Dill appeared today &amp; as usual Mondell talked - &amp; talked - &amp; talked - but refused to answer my questions &amp; very greatly prejudiced the Committee against his case. Have prepared a statement with many exhibits for Mr. Manning, Director of the Bureau of Mines, in favor of locating the Mining Experiment Station at Fairbanks.</p>
Diary 26, 1916 January 21-22	<p style="text-align: center;">21<sup>st</sup></p> <p>The Emergency Deficiency App. Bill with \$2,000,000. item for Alaska Ry. passed the House</p>

	<p>today without any real objection. This ought to end all question of a fight against it -without opposition yet lurks in the Senate.</p> <p style="text-align: center;">-22-</p> <p>Wrote to Senator O.P. Hubbard and John W. Frame, Valdes suggesting that the Progressive-Independent Convention in Alaska be called - after they hear the date of the Democratic &amp; Republican Convention dates - just three days ahead of those &amp; that they declare strongly in favor of Statehood; <u>Am now drafting the enabling act for the state of Alaska.</u></p>
Diary 26, 1916 January 23	<p style="text-align: center;">-23<sup>rd</sup>-</p> <p>I am now working industriously on the preparation of an Enabling Act for the creation of State government in Alaska, and in so doing I am following the Enabling Act of 1906 for the State of Oklahoma. This for two reasons - at least - it is a late act, contains many of the new ideas and is liberal in grants of money and land to the new State. Another thing - it is a Democratic State and its Enabling Act ought therefore to pass the eye of this administration with less criticism than one older and less liberal.</p>
Diary 26, 1916 January 24	<p style="text-align: center;">-24<sup>th</sup> -</p> <p>We finished the long struggle before the Com. on Mines &amp; Mining today on the bill to appoint a Commission to revise the U.S. Mineral Land Laws - my side won by a vote of 7 to 6! - Sec. Lane sent a letter threatening not to approve any bills for bettering the mining laws - but demanding the passage of the Commission bill. I have made the fight alone (see the Hearings) but I still fear they will come back &amp; get some of the members that have been supporting me</p>
Diary 26, 1916 January 24	<p style="text-align: center;">24</p> <p>to change their vote &amp; approve the Commission bill. My main strength is Dr. Foster, Chairman who is strongly but quietly &amp; influentially against it. Senators Walsh, Smoot &amp; Thomas, Sec. Lane and a dozen members of the House from the West</p>

	<p>have appeared before the Com. with all the Min. &amp; Metallurgical Soc. lobby - &amp; yet they lost. I feel quite satisfied with my fight even if they overcome me yet with political pull. Joslin is here &amp; took dinner with us. Dillon is here yet also.</p>
Diary 26, 1916 January 25-28	<p style="text-align: center;">-25<sup>th</sup> -</p> <p>Working on trying to get all of the Alaska fisheries bills before the Com. on Ter. &amp; also on the bill - Enabling Act for Alaska Statehood. Move the admission of <u>John F. Dillon</u>, of Fairbanks, before the U.S. Sup. Court. Mr. &amp; Mrs. H.C. Strong, of Ketchikan, took dinner with us this evening.</p> <p style="text-align: center;">-26<sup>th</sup> -</p> <p>Am working as yesterday.</p> <p style="text-align: center;">-27<sup>th</sup> -</p> <p>Same as yesterday.</p> <p style="text-align: center;">-28<sup>th</sup> -</p> <p>The Dept. of Commerce, without any request, sent letter to the</p>
Diary 26, 1916 January 28	<p style="text-align: center;">28</p> <p>Com. on Ter. referring to the Food &amp; Carlin Fisheries bills &amp; disapproving them, and strongly urging the passage of the Alexander bill. This action is taken to cut off the jurisdiction of the Committee on Territories &amp; to establish that of the Com. on Merchant Marine &amp; Fisheries - &amp; thus to secure the transfer of the whole subject from one Com. to another which is known to be favorable to the legislation desired by the Bureau of Fisheries &amp; the Fish Trust.! Well, they shall have a fight that will be of interest to them!</p>
Diary 26, 1916 January 28	<p style="text-align: center;">28<sup>th</sup> - <u>Continued.</u></p> <p>Called &amp; had a long talk with Judge Alexander, Chairman, Com. on Merchant Marine &amp; Fisheries, about Alaska fisheries bill. Strongly urged him to agree that his Alaska fisheries bill introduced by him at the request of the Dept. of Commerce be Voluntarily referred to the Com. on Ter. or that he take all Alaska bills, since they are so intimately interwoven that one Com. should have Jurisdiction</p>

	over all. Agreed with him to prepare a statement etc. Brandeis appointed Judge US. Sp. Ct. today.
Diary 26, 1916 January 29	-29- Am at work on letter to Judge Houston & Judge Alexander Chairmen of Com. on Territories & Mer. Marine & Fisheries respectively, to persuade them to secure a reference of H.R. 9528, an Alaska fishery bill from Mer. Marine & Fisheries to Territories. Darrell came down to stay over Sunday. -30- Still on letter to Houston & Alexander - Another Fur-bearing Animal bill introduced yesterday by Alexander, for control of Alaska animals - Com. on Territories!
Diary 26, 1916 January 31	-31 <sup>st</sup> - Dr Foster, Chairman of the Committee on Mines & Mining asked me today if I would accept an appointment on a Joint Committee on the Revision of the Mineral Land Laws: At first I said <u>no</u> , but when he expressed surprise and disappointment at my answer I finally said "Yes." Am not informed what he intends to do but judge from that inquiry he expects to report against the Commission & in favor of a Joint Committee! He also remarked that I had been hard on the "Experts" in my opposition to the Commission bill.
Diary 26, 1916 January 31	31 In the winter of 1901-2 I was acting as U.S. District Judge at Nome and boarded at the Golden Gate Hotel. A young woman by the name of Mrs. Emily Dornberg was one of the guests –rather the guest of Mrs. Daggett, the proprietors wife. Mrs. D's husband had deserted her - & that winter she sought by the wiles of woman to get too near the Judge - too near even for a mining camp - and I put her out of my room to save myself from talk - & told her not to come back - & enforced my order.

We discussed the various plans suggested for the control of public utilities, rates etc. on railroads, steamship lines on sea and rivers, wharfage, telegraphs, telephones and also the idea of a development board - or a commission to have charge of all the activities of government bureaus as well as the other matters - it was finally agreed that I should prepare a statement showing actual conditions in respect to each of these matters &amp; that such statement should be presented to Judge Houston &amp; by him to the Interstate Com. He also announced the following Sub Committee to consider it, Foster, Chairman, Taylor (Colo), Hamlin (Mo), James (Mich) &amp; Wickersham (Alaska). I was called up from the War Dept. &amp; went down to see the Dry Straits Report. It is quite favorable &amp; recommends a more extensive survey with estimates.</p>
Diary 26, 1916 March 1-2	<p>1 I am informed it will be referred to an advisory board to consider whether the additional surveys shall be made – about next week. I telegraphed results to F. 	My demand on the Sec. of War for an estimate to cover the Ruby - Long Creek road has had an unexpected result! I received a letter from the present Sec. of War, Major Genl. Hugh A. Scott, acting Sec. of War, approving my bill for the Ruby Road, & estimating for \$100,000, and also sending in an Estimate for \$400,000 more for the Fairbanks - Valdes road!! <u>Some result!</u> but I am yet to get favorable reports & the appropriation. The estimate is only the first step. Garrison (who just resigned as sec. of War) would not have made the estimate. So we are that far in luck.

Diary 26, 1916 March 9	<p style="text-align: center;">-9<sup>th</sup> -</p> <p>Sec. of Commerce has reported adversely on my "Full Territorial Government bill," - not that I blame him if he had sense enough to put it on the apparent idiocy of the bill itself, but it makes me mad to have him do it because he - like Sec. Am sure Russell's letter was written by Shackelford & my letter was written on that basis - discreetly.

Diary 26, 1916 May 19	19 I evaded a definite answer and suggested that nothing could be done until after the Dem. Convention at Juneau next week. I told him of Shackelford's scheme of coalition with the Democrats - but he said the Democrats would not do that - that they would not combine with Shackelford - etc. From Joslin interest I judge he has talked to Birch in New York. Diary 26, 1916 June 9	-9 <sup>th</sup> - [clipping] FEARS ALASKAN FISH TRUST. Wickersham Argues Against Bill for Granting Exclusive Rights. The "fisheries trust," and not the people would control the fisheries if the Alexander bill for the control and regulation of Alaska fisheries is passed, Delegate Wickersham, of Alaska, informed the House merchant and fisheries committee. "The bill would give the trust control of all the salmon trap sites Mr. Wickersham declared. "Anticipating the passage of the bill the 'fish trust' has surveyed all sites and is ready to gobble them up." In answer to Representative Green of Massachusetts, Mr. Wickersham said he expected shortly to lay before the committee complete evidence of the indictment of the Alaska fish trust for violation of the antitrust laws. The Alexander bill would provide licenses for fishing companies, gaining exclusive rights for fishing when surveys of trap sites are filed.
