Diary 32, 1919 November 10	<p style="text-align: center;">Nov. 10, 1919.</p> <p>We (Debbie &amp; I) arrived in Washington on the evening of the 8<sup>th</sup> from Seattle - We left Washington on July 28<sup>th</sup> and in the meantime she spent most of her time in Los Angeles, Cal. and the balance in Seattle. My time was spent in Alaska, from Ketchikan to Anchorage in taking the second or official group of depositions in my Contest Case of Wickersham v. Grigsby. Finished taking such testimony on Oct 26<sup>th</sup> at Seattle &amp; am now here to prepare Briefs &amp; to present the matter to the Election Com. We are at the Congress Hall Hotel, as usual.</p>
Diary 32, 1919 November 11	<p style="text-align: center;">-11<sup>th</sup> -</p> <p>Called on Clerk of the House today - found the Election Returns of the Nov. 5, 1918 election in Alaska were received from the Gov. and are on file - also many parts of the evidence - depositions. Also called on Dowell, Ch. Elec. Com. &amp; talked matters over with him. He advises doing nothing until all the depositions are received and printed. Answering letters, and finishing Mss, on Pub. Doc. bibliography, which Senator Jones proposes shall be printed as a Senate Document. Am agreeable &amp; doing what I can to get it ready for publication.</p>
Diary 32, 1919 November 12-14	<p style="text-align: center;">-12-</p> <p>Writing letters - Elliott &amp; Jeffery working on Mss. of Alaskan Bibliography of Pub. Docs.</p> <p style="text-align: center;">-13-</p> <p>Same as yesterday - Had a talk with Dowell, Ch. Com. on Elections - my depositions not here yet, waiting.</p> <p style="text-align: center;">-14-</p> <p>We have the Mss. of Pub. Docs. of Alaska finished- Elliot has completed the Index &amp; I have gone over the whole thing carefully &amp; am much pleased! Will take it to Senator Jones of Wash. State tomorrow &amp; hope to persuade him to get it printed as a Senate Pub. DOC.</p>
Diary 32, 1919 November 15	<p style="text-align: center;">-15-</p> <p>Delivered the Mss. of Alaskan Bibliography of Pub. Docs. to Senator Jones for inspection &amp; printing by the Senate - if the Senate Com. on Printing will permit the expense. Also delivered letter, blue prints &amp; data about Heckman's Floating Fish trap to Chandler &amp; Chandler, Atty, 404, 7th St. SS. "Victoria" from Nome, with the mail &amp; my last depositions should be in Seattle - I cannot get my</p>

	<p><u>Record in Contest Case</u> printed till that mail reaches Wash. D.C. also mail from Fairbanks. Trying to catch up with office work &amp; correspondence.</p>
<p>Diary 32, 1919 November 16</p>	<p style="text-align: center;">-16-</p> <p>In the House, yesterday, Congressman Albert Johnson, of Tacoma, Wash. offered an amendment to the Railroad Bill, to restrain the carrying of freight to Alaska via the Grand Trunk Ry. from - say - Chicago to Prince Rupert, &amp; thence to Ketchikan &amp; other Alaskan points, at a less rate than that fixed by the Interstate Commerce Com. via Seattle! Am now engaged in attempting to defeat it when it comes up tomorrow for action in the House.</p> <p>Grigsby did not object; Sent a man to Grigsby today to get him to move - either to fight it or approve it - he will dodge the issue - probably!</p>
<p>Diary 32, 1919 November 16-17</p>	<p style="text-align: center;">-16<sup>th</sup> continued</p> <p>Wrote letter today to C.D. Murane, Rep. Nat. Committeeman, <u>Caspar, Wyoming</u>, asking him to attend the meeting of the Nat. Com. here in Washington, D.C. on Dec. 10th <u>or to send me his proxy.</u></p> <p>I expect him to do neither but to have Hoggatt from New Jersey attend for him! See?</p> <p style="text-align: center;">-17-</p> <p>Saw Sanders, M.C. of Indiana &amp; loaded him the best I could to fight the Johnson (Albert) Amendment to the Rd Bill excluding Alaska from any advantage to lower freight rates <u>via</u> the Grand Trunk Ry - The bill can still be contested in the Senate - if the Amdt. goes in House.</p>
<p>Diary 32, 1919 November 18</p>	<p style="text-align: center;">-18<sup>th</sup> -</p> <p>The House, yesterday killed the Johnson Amdt. to the Ry. Bill which was, intended to prevent the Grand Trunk Pac. Ry. -from carrying Alaska freight in competition with the Alaska SS Co. &amp; the Pacific SS. Co.</p> <p>Grigsby made a speech against the Amdt. being crowded thereto by the well founded fear that if he failed he &amp; his party would be held responsible therefore in S.E. Alaska.</p> <p>Today I sent copies Cong. Record &amp; explanation of situation to Dalrymple, V.P. Grand Trunk Ry. Montreal Canada.</p> <p>Senator Cummins Ch. of Senate Com. has said that Amdt should not pass that body - good!</p>
<p>Diary 32, 1919 November 19-20</p>	<p style="text-align: center;">-19<sup>th</sup> -</p> <p>Notified Clerk House Rep. today to give Grigsby notice of opening and printing Depositions in the Contest Case - not later than Monday -- <u>Nome not here yet.</u></p> <p style="text-align: center;">-20<sup>th</sup> -</p> <p><u>Recd. notice from Clerk of the House that on</u></p>

	<p><u>Monday he would open the depositions in his possession in the contest case &amp; have them printed.</u>                  Paid Henry N. Elliott \$100<sup>00</sup> in full for his services in assisting me in preparation of index to the Bibliography of Alaskan Public Documents.                  -21<sup>st</sup> -                  Saw Senator Jones -today about the objection to confirmation of</p>
Diary 32, 1919 November 21	<p>21                  Judge Bunnell &amp; Roth, Asst. Dist. Atty. He reported that the Sub. Com. of the Senate Judiciary Com. composed of Senators Kellogg Morris &amp; Ashurst, seemed favorably to confirmation &amp; asked me to see Senator Norris – <u>which I did.</u>                  The Senator told me that neither he nor Ashurst had approved the report, but that Senator Kellogg has favorably reported - but on objection of Senator Jones the matter had been held up - that Congress having adjourned they would have to be reappointed etc. He thought I ought to go before the new Sub-Com. &amp; make my statement - <u>but I will not. until after Contest Case is settled.</u></p>
Diary 32, 1919 November 22-24	<p>-22-                  Reading up on <u>Rancho La Brea</u> Los Angeles, Cal. animal remains &amp; writing a new introduction to my Pioneering Around Mt. McKinley Nothing new. Congress has gone home till Dec. 1st after killing the German Peace Treaty &amp; President Wilson's League of Nations!                  -23-                  Sunday. Reading McCauleys Hist. of England.                  -24-  <u>Opened depositions in office Clerk House of Representatives.</u>                  Adjourned until tomorrow on account of the Clerk not present in his office in time.</p>
Diary 32, 1919 November	<p>This page omitted by mistake J.W.</p>
Diary 32, 1919 November 25-26	<p>-25-  <u>All depositions in Clerks office opened today &amp; Clerk will arrange for printing Two of Grigsbys depositions are not received - one from Anchorage and one from Ketchikan - trouble claimed not signed by witnesses - but probably because costs not paid. Am now at work on the law.</u>                  -26-                  Nothing much new. Grigsby now wants me to permit him to file his Ketchikan depositions without signing &amp; signatures &amp; threatens to ask for more time etc. if I do not I shall postpone until his depositions get here &amp; then do what is to my own interest.</p>

<p>Diary 32, 1919 November 27-29</p>	<p style="text-align: center;">-27<sup>th</sup> -</p> <p>Thanksgiving day. Congress not being in session the Hotel is vacant and hollow.</p> <p style="text-align: center;">-28-</p> <p>Arranging depositions for printing - in my Nome depositions is one made by Mr. Grimm - who made many strong statements vs. Grigsby - relating to his bad character, etc. but who refused finally to sign the same. Grigsby begged me not to have it printed &amp; I struck it out at his request.</p> <p style="text-align: center;">-29<sup>th</sup> -</p> <p>Reading Grigsby's depositions that I did not assist in taking - they are not near as bad either in fact or law as I feared - but are bad enough at that.</p>
<p>Diary 32, 1919 November 30- December 4</p>	<p style="text-align: center;">-30<sup>th</sup> -</p> <p>Sunday. Sunday. Reading McCauleys Hist. of England.</p> <p style="text-align: center;">-Dec. 1.-</p> <p>Am working on the law applicable to my Contested Election Case. in Law Library. We are also arranging the Depositions for printing.</p> <p style="text-align: center;">-2d-</p> <p>Same as yesterday.</p> <p style="text-align: center;">-3<sup>rd</sup> -</p> <p>Same as yesterday. Congress met again on Monday. for the regular session.</p> <p style="text-align: center;">-4-</p> <p>Dr. Wilmer, oculist, advised removing cataract from my right eye - am entirely blind in it - small one on left eye. Working on Contest Case Law, etc.</p>
<p>Diary 32, 1919 December 5</p>	<p style="text-align: center;">-5<sup>th</sup> -</p> <p>The last of our Alaska depositions in the Contest Case came into the Clerks office today from Anchorage. These are Grigsbys -- and there are <u>seven</u> of them unsigned &amp; void - 14 of his depositions are thus of no account. Mine all came in correct except one from Nome. &amp; as he (Grigsby) objected to it, I let it go out! &amp; he is bound by a precedent which he himself established. We are now busy arranging the Contestants Depositions for printing. George &amp; Elliott are assisting me. Am also engaged in preparing my brief &amp; argument but cannot do it until the Record is printed.</p>
<p>Diary 32, 1919 December 6-7</p>	<p style="text-align: center;">-6<sup>th</sup> -</p> <p>Grigsby applied to the Clerk today for leave to send his two depositions back to Alaska for signing. Clerk telephoned to me, &amp; we will take it up on Monday. Tonight I telegraphed to Boyle, Anchorage and to Shoup, Ketchikan, for explanation <u>why</u> depositions were not signed by Grigsby's witnesses before depositions were forwarded.</p>

	<p style="text-align: center;">-7-</p> <p>Sunday, but working on my Brief in Contest Case. My friend Henry W. Elliott, comes into my office <u>every</u> evening after dinner &amp; talks half an hour or so with me about the Russian conditions, League of Nations, World Treaty etc. I greatly enjoy his visits.</p>
<p>Diary 32, 1919 December 8</p>	<p style="text-align: center;">-8-</p> <p>Had Grigsby before Page, Clerk H. of R. to settle his application to return his Anchorage depositions to Alaska for signing, verifying etc. to which I strenuously objected. Page refused to return them &amp; said he would send them to the House &amp; have them referred to the Com. Grigsby's uncompleted expositions from Ketchikan are to be printed as if taken in compliance with law etc. He has 14 depositions not signed or verified. I think purposely to create diversion &amp; sympathy, and I may have to answer them as if they were valid - they may even be more advantage to him than if they were in form. Working on my brief.</p>
<p>Diary 32, 1919 December 9-10</p>	<p style="text-align: center;">-9<sup>th</sup> -</p> <p>D.A. Stubbs, democrat, from the Kuskokwim is here to oppose the confirmation of Bunnell &amp; Roth - Bunnells appointment was again sent in yesterday &amp; Stubbs will oppose confirmation. He has letters of introduction from Gov. Stubbs of Kan. his cousin - Gov. Cox, of Ohio, his schoolmate friend, etc. and evidently has an inclination to fight. Stubbs &amp; his wife took dinner with us tonight at Congress Hall Hotel.</p> <p style="text-align: center;">-10-</p> <p>The Rep. Nat. Com. met in Washington today - Alaska was represented by Ex. Gov. Hoggatt of New Jersey formerly - 10 years ago - from Alaska. And yet they wonder why the Rep. party in Alaska does not unite!</p>
<p>Diary 32, 1919 December 11-12</p>	<p style="text-align: center;">-11-</p> <p>Working on Brief in Contest &amp; am also trying to get the Record printed. Grigsby has quit urging that his Anchorage depositions be returned for signature. I sent telegrams of inquiry &amp; got replies saving no attempt made by his agents &amp; attorneys was made to secure signatures of witnesses or verification.</p> <p style="text-align: center;">-12<sup>th</sup> -</p> <p>Stubbs, of Kuskokwim, has been all day in Dept. Justice, going over the Rep of Masterson, special Agt. who was in Fairbanks &amp; Iditarod this fall investigating Roth &amp; Bunnell &amp; who seems to have repated[?] against them. Stubbs hopes with his assistance to prevail on the Dept. to withdraw them &amp; appoint others.! Maybe!</p>

Diary 32, 1919 December 13-14	<p style="text-align: center;">-13-</p> Working on my Brief in Contest Case. Stubbs from Kuskokwim came in tonight he is not so sanguine of assistance from the Dep. of Justice - Masterson - Sp. Agent seems to have heard rumors of wrongdoing by Stubbs & the latter is astonished - but ready to answer & fight. <p style="text-align: center;">-14<sup>th</sup> -</p> Sunday, but worked on Brief . Stubbs in & showed me his papers & I advised him to go back to Dept Justice tomorrow - listen & talk easy & get all information & then we will prepare his statement about conditions on Kuskokwim & about Roth & Bunnell & file with Dept. of Justice & also the Senate Com. in opposition to confirmation.
Diary 32, 1919 December 15-18	<p style="text-align: center;">-15-</p> Busy getting Clerk to print my rebuttal depositions. <p style="text-align: center;">-16-</p> Stubbs of Kuskokwim in office - Assisted him in arranging his material & dictated for him his letter to the Atty. Genl. - charges against Bunnell & Roth. Am busy on my Contest Brief. <p style="text-align: center;">-17-</p> Working on Contest Brief - it is a long complex problem. <p style="text-align: center;">18-</p> Same as yesterday. Stubbs signed his letter to the Atty Genl & gave me copy. He intends to write letter & transmit a copy to Senator Nelson, Ch. Judiciary Com. Senate - in opposition to Bunnells confirmation.
Diary 32, 1919 December 19-22	<p style="text-align: center;">-19-</p> Working on Contest Brief. Snowing - regular winter weather. Stubbs of Kuskokwim today saw Senator Jones, & delivered a copy of his letter to the Atty. Genl. to Senator Jones for Senator Nelson - the latter seems to have been out of humor & Jones thought best not to have Stubbs meet him - it seems the Republicans were just finished with a caucus on the Treaty with Germany & <u>evidently Nelson got the worst of it.</u> <p style="text-align: center;">-20-</p> Working on Contest Brief. <p style="text-align: center;">-21-</p> Same. <p style="text-align: center;">-22-</p> Same - prepared the chap. in Brief on 40 Mile Frauds today - took hide of Judge Bunnell.
Diary 32, 1919 December 23-24	<p style="text-align: center;">-23-</p> Same - brief work. <p style="text-align: center;">-24-</p> Same - but also buying some Christmas presents. We had a beautiful tree in the Hotel tonight and the children - and old folks, too, enjoyed it very much.

	<p>Heard this evening that Hon. W.A. Watson, of Virginia died today. Am very sorry -, He was a member of the Com. on Ter. for a long time &amp; greatly assisted me in passing the Alaska Rd. Bill - he made a most beautiful address on the evening of March 17, 1914, at a dinner given by me in Honor of Judge Houstons birthday - He was a keen shrewd lawyer a good citizen and a hardworking member of Congress for many years - only 52 years old - 10 years younger than I.</p>
Diary 32, 1919 December 25	<p style="text-align: center;">-25-</p> <p>Christmas Day, 1919. We are comfortable, well, happy, and have little to grumble about. Debbie's health is good, though she is not strong or able to take vigorous exercise on account of the ravages made on her lungs by tuberculosis years ago - now, however, she is as strong as one can be with that effect always present, and I am equally well. We have much to be thankful for, but I would be happier if we had a settled place of abode - with my library at hand. I should also wish Darrell to have a home of his own nearby, but he seems never inclined to care for a wife or a home of his own, though if he had them, he would be happy - but does not know it.</p>
Diary 32, 1919 December 26	<p style="text-align: center;">-26-</p> <p>Working on Contest Brief - Printed Record of Depositions is slowly gaining - Clerk of House is doing work Ellis, assistant. Writing letters also today - Have determined <u>not</u> to be a candidate for Delegate to Congress but will be a candidate for Delegate to National Rep Convention - must be a candidate at the primary election in April and am getting things arranged to announce that fact. My friend Dan Sutherland will be a candidate for Delegate to Congress - I may be a candidate for Governor - if my friends win the National Election &amp; things go right <u>otherwise!</u></p>
Diary 32, 1919 December 27-31	<p style="text-align: center;">-27-</p> <p>Same as yesterday - Grigsby has gone out to Chicago to spend the Christmas Holidays.</p> <p style="text-align: center;">-28-</p> <p>Sunday - work on Brief.</p> <p style="text-align: center;">-29-</p> <p>Same.</p> <p style="text-align: center;">-30-</p> <p>Same.</p> <p style="text-align: center;">-31-</p> <p>Same. A telephone message from Senator Ashursts office said there was an Indian there from Klamath Lake Oregon, who wished to come &amp; talk to me - that I had done his people a great good, etc. etc. He has not yet come - but he is undoubtedly one of the T'shaddam or Shaker</p>

	Church people – John Slocum’s disciples.
Diary 32, 1920 January 1-5	<p style="text-align: center;">January 1<sup>st</sup> 1920.</p> <p>All well and able to work, for which one ought to be thankful.</p> <p style="text-align: center;">-2<sup>nd</sup> –</p> <p>Working on Brief in Contest Case.</p> <p style="text-align: center;">-3-</p> <p>An Indian from Klamath, Oregon, - a representative of the <u>Shaker Church</u>, which I assisted in organizing in Tacoma about 1895, was in to see me today. He says the church is very powerful among the Oregon Indians &amp; will be instituted this next year in Cal.</p> <p style="text-align: center;">-4-</p> <p>Same.</p> <p style="text-align: center;">-5-</p> <p>Same. Congress met today, regular after-the-Holiday session.</p>
Diary 32, 1920 January 6-7	<p style="text-align: center;">-6-</p> <p>Same. just working industriously on the Brief. The difficulty is that I cannot get the Record of Depositions printed - it is being held back on me by the Public Printer, who has, I suppose something more important. Still, I am making headway but cannot finish for every quotation must have a page number &amp; cannot get pages till the Record is printed.</p> <p style="text-align: center;">-7-</p> <p>Same old story.                  We are all greatly interested in the Jackson day dinner of our Democratic friends at the Willard Hotel tomorrow night. Bryan has “<u>come back</u>” and really now seems to be in charge of the Democratic party again - &amp; Wilson seems to be a “<u>has been.</u>”</p>
Diary 32, 1920 January 8-9	<p style="text-align: center;">-8-</p> <p>Same - <u>Aiyal</u> - one of my old Corlotiz Indian friends was in today.</p> <p style="text-align: center;">-9<sup>th</sup> –</p> <p>The Jackson dinner at the Willard &amp; Washington Hotels last night has started a fight between Wilson &amp; Bryan that will disrupt the Democratic party. My judgment is that Bryan has the better part of the argument - he never will forgive Wilson for forcing him out of the Cabinet, and will leave no stone unturned to get Wilsons “scalp” - &amp; he is a great orator and has tremendous influence with the Democratic rank &amp; file.</p>
Diary 32, 1920 January 10-12	<p style="text-align: center;">-10-</p> <p><u>The Clerk House Representatives served 2 copies of printed Record of Depositions upon me today - it contains the official Depositions in the Contested Election Case Wickersham v Sulzer Wickersham v Grigsby</u></p>

	<p><u>I now have 30 days to prepare &amp; serve my brief &amp; argument which I now have almost completed.</u>                  -11<sup>th</sup> -</p> <p>Same old grind.                  -12-</p> <p>Am getting printing done on brief. Elliott is assisting me in reading copy for correction etc. Am reading Buckle's Hist. of Civ. in England - does not mention the balance of the old world - not important, I suppose.</p>
<p>Diary 32, 1920                  January 13-14</p>	<p>-13-</p> <p>Same as yesterday.                  -14-</p> <p><u>Getting in sight of end of Brief.</u>                  Recd. telegram from Herron, of Anchorage Times asking me to stand for the Delegate to Republican National Convention. Answered that I would &amp; sent this telegram to Fairbanks, Alaska, to Henry T. Ray: "I will not be candidate for Delegate to Congress but will be Candidate for Delegate to Republican National Convention if friends Fairbanks will support me. Consult and advise judgment. If satisfactory secure signatures 25 endorsers under chap. 38, Sess. Laws, 1917, and forward to John B. Marshall, Juneau. I will sent declaration from here for filing to Marshall, Contest Case looks good so far. Answer night letter.                  James Wickersham</p>
<p>Diary 32, 1920                  January 15-17</p>	<p>-15-</p> <p>Getting the printer busy now on my brief.                  -16-</p> <p>Recd. telegram from Chas. E. Herron advising that I be candidate for Delegate to National Convention. Printing Brief going on slowly.                  -17-</p> <p>Recd. telegram from Milo Kelly saying he withdraws favor Herron for National Committeeman.                  Also telegram from Valentine announcing his candidacy for National Convention and objecting to me being candidate as it will keep old fight going. That's funny coming from Val. who is always in a scrap - and only happy when he is! Telegraphed situation to Herron.</p>
<p>Diary 32, 1920                  January 18-22</p>	<p>-18-</p> <p>Closing on my brief work.                  Snowing &amp; cold.                  -19-</p> <p>Brief is all done but printing - &amp; the list of illegal voters.                  Suffering with Grippe.                  -20-</p> <p>In bed all day with cold - "flu".                  -21-</p> <p>Rather "shaky" but must get the printing completed.</p>

	<p>Mr. Elliott is giving me help - &amp; Geo. Jeffery.                  -22-                  Both Debbie &amp; I sick in bed with cold - Elliott &amp; George getting the Brief finished - with printer. It's a long brief &amp; printers are overworked and lordly Debbie is worse than I &amp; her good lung is affected.</p>
<p>Diary 32, 1920                  January 23-26</p>	<p>-23d-                  I am up and out today - but Debbie is no better: Think I am quite scared - the "flu" is epidemic again, but in much milder form than a year ago - then as thousands suffering with it everywhere in the East.                  Printer is slow with my work &amp; says he cannot have it ready before Monday - and probably not then.                  -24-                  Printers are slow with work of printing &amp; binding not before Tuesday can service be made - <u>slow</u>.                  -25-                  Waiting on the printers.                  -26<sup>th</sup> -                  My oculist today put off my eye operation for a week on account of contagion of erysipelas [skin infection] in the hospital.</p>
<p>Diary 32, 1920                  January 27-28</p>	<p>-27<sup>th</sup> -                  Nothing new - printer very slow.                  Sent formal Application to have my name put on Primary Election ticket for Delegate to Nat. Republican Convention - election April 30. - to Judge Marshall with instructions <u>to hold</u> but not to make public unless I shall telegraph him to that effect. Dan Sutherland wants me to be candidate but Valentine does not - hence the action taken. When my friends decide what they want we can then act together.                  -28<sup>th</sup> -                  My printer is acting badly - he now holds me up for \$675.00 for 140 page Brief!! He has refused to give me a figure till he thinks he can force me to pay - it is "profiteering" with a vengeance!</p>
<p>Diary 32, 1920                  January 29</p>	<p>-29<sup>th</sup> -                  Papers this morning announce that Hays, Ch. Rep. Nat. Com. has just appointed 160 or so prominent Republicans in U.S. to "<u>assist &amp; advise</u>" etc and he has appointed Geo. E. Hazlett, of Cordova, Alaska, to represent our Territory! H- is the Guggenheim Manager in Alaska and it looks as though those of us who have tried to defend the Territory from the Alaska Steamship Co - the Ken. Cop Corp, etc. are to take a back seat and the "Big Business," the one big "Copper &amp; Transportation" Trust, will be given charge. It is discouraging - but will lead to more fighting However it means that I will not have any standing politically with that crowd.</p>

Diary 32, 1920 January 30	<p style="text-align: center;">30<sup>th</sup></p> <p>I went for the printers shop this morning &amp; cussed out the Sudworth Printing Co. for "profiteering" and for not keeping their promise to get my Brief done promptly - they promised to have it done for me on Monday. They are a lot of scamps but I am in the position of a robber - with a pistol at my head - &amp; must get my Brief even if I am gouged in price. It is important to file my Brief &amp; I <u>must submit to the excessive over charge.</u></p> <p>Beveridge of Indiana is again a candidate for Senator against my friend Senator Watson, of Ind. &amp; I am digging up the "Beveridge Bill" of 1910, with its un American clause - to fight him with.</p>
Diary 32, 1920 January 31- February 2	<p style="text-align: center;">-31-</p> <p>Same old story - nothing new. Diary 32, 1920 February 2	<p style="text-align: center;">2</p> <p>Valdes friend died in Philadelphia a couple of days ago. He was working for Jas. J. Godfrey - now of New York - who brought his body to Wash. D.C. today for burial. I attended the services at the Union Depot, but did not go out to the cemetery - Grigsby, Riggs, and half a dozen other Alaskans attended &amp; looked after the ceremonies.</p> <p><u>Printer delivered my Brief today. Com. Dowell, today. He exhibited a friendly but very furtive interest - seems scared to do any thing</p>

	<p>- till the case comes to him in the regular way - which I approve - and hope he will be interested &amp; active when it does come to him that way - am now trying to get Republicans interested slowly. Bad Storm raging all day - a blizzard from the north. Am studying Russian quietly &amp; o.k., so slowly &amp; laboriously</p>
Diary 32, 1920 February 5	<p style="text-align: center;">-5-</p> <p>Gave copies of my Brief to Senators Jones, Norris &amp; Sterling, - the latter as Chairman of the Sub-Committee having charge of the confirmation of Roth &amp; Bunnell agreed (not in a positive manner) to hold up the appointments until my case is settled &amp; I can prepare charges &amp; present proofs against them.</p> <p>Charlie Taylor sends me a bill for money spent (?) by him in 1918 Election &amp; I sent him a check for \$54.00 in full of his claim, though I fear he has not paid the Nenana News act. of \$27.50.</p> <p>Am now beginning to talk to M.C.'s about the facts in my case &amp; put Briefs where they <u>may</u> do good.</p>
Diary 32, 1920 February 6	<p style="text-align: center;">-6-</p> <p>Wrote a letter to Jas. A. Wood, Editor Seattle P.I. asking him to read my Brief - also forwarded - &amp; to consider situation of Alaska with 2 contests etc. Informed him that I intended to urge prosecutions after being seated - of Democratic offenders. Rep. Wood asked me to give him data about Riggs, swing around the circle in 1918, just before the election <u>politics at the expense of the U.S.</u> - Riggs act. for trip is presented to the App. Com. &amp; Wood wants to know!</p> <p>Also got Clerk House Rep. to forward printed Record of Depositions etc. and Briefs to Com. on Elections No. 3 case now before that Com.</p>

Diary 32, 1920 February 9	<p style="text-align: center;">-9-</p> <p>Attended the N.Y. Ave., Pres. Church yesterday morning to hear Dr. S. Hall Young, lecture or preach on Alaskan conditions etc. and in the evening attended his picture display at the East.</p>

	<p>Pres. Church at 6th &amp; Mass. Ave. both lectures good, but the Dr. is as <u>enthusiastic</u> as a real estate boomer!</p> <p>Dowell, Ch. Com. El. No. 3, has the Record of Depositions &amp; Briefs &amp; is distributing them this morning to the members of the Committee. He complimented me on my brief &amp; so did Merrill Moores, of Ill. - so it is not a failure.</p> <p>Leehey, attorney with Riggs came in to see me today they are preparing a series of Alaska bills!</p>
<p>Diary 32, 1920 February 10-11</p>	<p style="text-align: center;">-10-</p> <p>Delivered copies of my Brief to Speaker Gillett, Mann, Mr. Mason, Mr. Mondell &amp; other Republican leaders today. Russells "<u>Dispatch</u>", now published in Seattle. I find that Jack Chorin, of Anchorage, is being put forward for Rep. Nat. <p>Diary 32, 1920 February 13-15</p>	<p style="text-align: center;">-13<sup>th</sup> -</p> <p>Saw Senator Johnson's political manager today about Delegates in Alaska - for the Presidency. Told him the Alaskan situation and urged support for Valentine &amp; Reed, and told them of Hazlet as Gugg. candidate.</p> <p style="text-align: center;">-14-</p> <p>Lansing, Rec. of State, resigned on request of Pres. Diary 32, 1920 February 16	<p style="text-align: center;">-16<sup>th</sup> -</p> <p>Geo. C. Hazelet sends me a printed circular letter inviting as suggestion as to important ideas for inclusion in the Republican. Nat. platform! I am answering saying the reduction of the present excessive transportation rates to, from, and in Alaska, and sending him copy of a Resolution which I urge him to get adopted declaring the Party if it secures control at the next election will put on a line of steamships to run from S.F. Portland &amp; Seattle to terminals of Alaska RR. at reasonable and just rates &amp; will also control &amp; reduce present rates so they will be reasonable &amp; just, a asking him to secure its adoption, &amp; to announced his intention to do so before the April primaries! <u>He wont.</u></p>
Diary 32, 1920 February 17-19	<p style="text-align: center;">-17-</p> <p>Giving our Depositions in Contest case preparing for Oral Argument.</p> <p style="text-align: center;">-18-</p> <p>Same as yesterday.</p> <p style="text-align: center;">-19-</p> <p>Same as yesterday.          Learned certainly today that Maurice D. Leehey is here aiding Grigsby in the preparation of his Brief in the Contest Case - while being paid his expenses and salary by the Ter. as Attorney for the Shipping Board. Will send him a letter of protest against the payment of his salary &amp; expenses by the Ter. Wood, M.C. of Indiana, in House today criticized the Governor Riggs for waste of public funds in political matters &amp; Leehey letter is a good follow up.</p>
Diary 32, 1920 February 20-21	<p style="text-align: center;">-20<sup>th</sup> -</p> <p>Recd. telegram from Fred Robinson, from Fairbanks asking if the President had signed the recently passed oil leasing bill, - answered "no." Fred evidently has his mind fixed on locating the oil lands which he has talked about for years - &amp; which I have for that long kept him in mind. Will telegraph him again as soon as the bill is approved.</p> <p style="text-align: center;">-21<sup>st</sup> -</p> <p>Leehey, atty. for Gov. Riggs, Alaska Shipping Board came in to call etc. He very positively denied, when I taxed him with it, that he was assisting Grigsby in the preparation of his brief. Still I think he is just a little interested &amp; not giving Grigsby any wrong advice! He does not seem to have very strong hopes of getting his Alaska Act</p>

	validated by Congress.
Diary 32, 1920 February 22	<p style="text-align: center;">-22<sup>nd</sup> -</p> <p>In carefully studying the Act of the Legislature of Alaska creating the Alaska Shipping Board etc. 1919, I am satisfied the legislature exceeded its powers, and that the Act is void. Gov. Riggs, with Maurice D. Leehey a Seattle Attorney &amp; one Sims, their Seattle transportation expert are here attempting to get a Bill passed - not yet introduced, however, but prepared &amp; a copy given to me last night by Leehey, to raise a fund etc. - <u>but the Bill is in direct conflict with the special order of the Legislative Act.</u> The whole scheme is now a "graft," by the Seattle lobbyists &amp; Tom Riggs, since the purpose called for by the Legislature is now abandoned - they are having a good political visit to Wash. to aid Grigsby, at public expense.</p>
Diary 32, 1920 February 23-24	<p style="text-align: center;">-23<sup>rd</sup> -</p> <p><u>Preparing a statement showing the names of Democratic Alaskan officials who committed Election crimes at the Nov. 5, 1918 election; arranging the data in correspondence with the depositions in the Contest Case, so that the Com. on Elections may see quickly just who the offenders were, the crimes committed, where the evidence is to be found in the record of depositions &amp; what Sec. of the Crim. Code was violated &amp; the penalty therefore.</u></p> <p style="text-align: center;">-24<sup>th</sup> -</p> <p>Went to Treasury Dept. to arrange about my Income tax statements - give 60 days time - additional, by Mr. Doyle.          Still on preparing statement about official violations Election laws in Alaska.</p>
Diary 32, 1920 February 25-26	<p style="text-align: center;">-25-</p> <p>Busy preparing statement offenses committed by Democratic politicians &amp; office holders in Alaska election of Nov. 5, 1913 - for use in argument before the Com. on Elections.          The President signed the Oil &amp; Gas Bill today - applicable to Alaska. Sent Fred. Robinson, Fairbanks, telegram giving him the news.</p> <p style="text-align: center;">-26-</p> <p>Have sent out 50 copies my letter to Geo. E. Hazelet, trying to force him to declare in favor of the U.S. putting on steamships from Alaskan terminals of Govt. Rd. to Seattle, Portland &amp; San Francisco - He is a candidate for Del. to Rep. Nat. Con.          Judge Lomen of Nome is in the city - saw him at hotel.</p>
Diary 32, 1920 February 27	<p style="text-align: center;">-27<sup>th</sup> -</p> <p>Have finished all my work in the Contest Case -</p>

	<p>lists of witnesses &amp; Democratic Election law violators &amp; am now having George Jeffries copy them for the mimeograph.                  Wrote letter today to Collector Internal Revenue trying to get my Income Tax statements in shape to cover my accounts for 1917 - 1918 - 1919, fairly on account of the claim that all of my salary as Delegate for those years must be bunched in my report for 1919 - which will cost me \$500, or such matter, more than if spread over the whole period of my term.                  Judge Lomen of Nome in to see me today.</p>
<p>Diary 32, 1920                  February 28</p>	<p style="text-align: center;">-28-</p> <p>Wrote letter of explanation &amp; inquiry about my Income Tax statement to Collector Income etc. today.                  Leehey came in to convince me that his scheme for creating a Ter. Shipping Board through an Act of Congress is a good one.                  With some amendments making it possible to secure Government ships on the line I may give my assent - but I much prefer the Govt. vessels established by an Act of Congress, - and still better an Alaska Board of Control of all government functions including Transportation, Indian Affairs, Ry, Roads etc. etc. Will be very slow to commit myself - <u>rather get the Democrats out of office first.</u></p>
<p>Diary 32, 1920                  February 29-                  March 2</p>	<p style="text-align: center;">-29-</p> <p>Attended ceremony unveiling tablet in Metropolitan Methodist Church to Vice President Charles W. <p>Diary 32, 1920                  March 3</p>	<p style="text-align: center;">-3<sup>rd</sup> -</p> <p><u>Grigsby filed his briefs in the Contest Case with the Clerk of the House of Representatives today - this afternoon - the very last day - and I have received two copies. it appears to be a rather tame attempt to answer my points, but contains nothing sensational - just Grigsby's usual kind of argument.</u>                  Also got a settlement today with the Sudworth Printing Co - which agreed to print my brief for \$2<sup>00</sup> a page &amp; then charged me \$5<sup>00</sup> I paid them the \$2<sup>00</sup> agreed on &amp; compromised by paying one half of the excess rather than be annoyed by a suit for the difference.</p>

Diary 32, 1920 March 4-5	<p style="text-align: center;">-4<sup>th</sup> -</p> <p>I have read Grigsby's Brief carefully:  <u>He gives most of it up to a personal abuse of me,</u>  <u>and to additional testifying</u> about things which he                  forgot when taking his Depositions. Generally it                  adds nothing to the argument except abuse, in                  which George is skillful - &amp; <u>I shall not prepare any</u>  <u>Reply Brief</u>, but will present my reply in the oral                  argument before the Committee.</p> <p style="text-align: center;">-5<sup>th</sup> -</p> <p>Have spent half the day, in the General Land Office                  getting data to locate the status &amp; locality of the                  Auk, Indian Res. at Juneau - with success.                  Will apply to the Com. on Elections on Monday to                  set the time for oral argument. Bitter blizzard                  prevailing.</p>
Diary 32, 1920 March 6-7	<p style="text-align: center;">-6<sup>th</sup> -</p> <p>Busy getting date for Oral Argument in Contest                  case.                  Telegram yesterday from Rustgard, Juneau, asking                  me to submit application for certiorari to Supreme                  Court, in an Alaskan case.                  Maurice D. Leehey came in to urge me to                  support the Chamberlain - Grigsby bills to control                  transportation in Alaska. He gave me a copy of his                  argument in writing in its support - also a copy of                  4th Ann. Rep. Kennecott Copper Corp- which I had                  previously requested him to get for me -after he                  told me he had secured copies of such Reports.</p> <p style="text-align: center;">7<sup>th</sup></p> <p>Preparing a letter to Sec Daniels, Navy, asking him                  to appose the Chamberlain Grigsby Shipping                  Board Act.</p>

Diary 32, 1920 March 11	<p style="text-align: center;">11</p> <p>Internal Rev. compelled me to give all my salary for 2 years, paid to me after decision of my Contest Case in Jany. 1919, as of that year, which raised my tax about \$600. more than if it had been spread over the two years from Mch 4. 1917 to Mch 4, 1919, but he also holds that I am entitled to an offset of the total amount of money paid out in fees, costs, expenses, etc. in the Contest Case in 1919, which will help to reduce the excessive amount. Sent a party to the Int. Dept. to get information in Appointment Clerks office showing Gov. Riggs residence in 1916 &amp; 1917 - but no result! Riggs was present and made a scene! Let the galled jade wince or words to that effect.</p>
Diary 32, 1920 March 12-13	<p style="text-align: center;">-12<sup>th</sup> -</p> <p>Preparing - working on Income Tax Statement - trying to assemble the items expended in 1919 for Contested Election Case, etc.                  -13<sup>th</sup> -</p> <p>Got all my data collected for the preparation of my Income Tax Statement - but not in time to get it done today - Monday is the last day &amp; I will get it finished then. Found I could offset all expenses in my Election Case against income, so have gotten receipts etc. ready. My receipts for Expenses in the Case, for 1919, amount to \$3796.<sup>00</sup>. Also gathering force to begin the oral arguments in Contest ease next week.</p>
Diary 32, 1920 March 14-15	<p style="text-align: center;">-14-</p> <p>Sunday - but have been reading Grigsby's Brief &amp; arranging notes for my oral argument.                  "Uncle Joe" Cannon, so long speaker of the House of Reps will deliver an informal address tonight in the Congress Hall Hotel.                  -15<sup>th</sup> -</p> <p>Filed my Income Tax Statement today and paid one half of the full amount - \$459.<sup>73</sup>/<sub>100</sub> leaving the other half for the next quarter.                  Also hunting up data for oral Argument in Contest Case. - I think I am clearly within the law &amp; facts in that case and feel quite confident. Grigsby will deal largely in declamation - but will not be convincing.</p>

<p>Diary 32, 1920 March 16-18</p>	<p style="text-align: center;">-16-</p> <p>Working on Contest Case: Dowell, Chairman Com. on Elections, told me today he would hear the oral Argument beginning next Tuesday.</p> <p style="text-align: center;">-17<sup>th</sup> -</p> <p>Written notice from Dowell setting the Oral Arguments to begin next Tuesday morning at 10 a.m.</p> <p style="text-align: center;">-18-</p> <p>Am impatiently waiting for Tuesday for Oral Argument, and gathering books, authorities etc. for that purpose. My confidence is not lessened as it draws near - but I have tried so many law suits that I know there is always danger in underestimating the opponents efforts and argument. Still, I have a good case!</p>
<p>Diary 32, 1920 March 19</p>	<p style="text-align: center;">19</p> <p>"Billy" Blackman &amp; John F. Ballaine both from Seattle, came in to see me this noon - greatly excited - having had a long consultation, in company with my Tacoma friend A. R. Titlow, with the new Secretary of the Interior, Payne. During the conversation Payne asked them about me, and told Blackman that he wished to have a talk with me &amp; Blackman asks me to go to his office Dept. of the Interior, in the morning for that purpose. Of course, I will go, and take the papers in the Shipping Board bill etc. in the hope that he will care to sec. the official record. Blackman &amp; Ballaine got the strong impression that Payne intends to make a pretty clean sweep of the Alaska Eng. Com. including Mears.</p>
<p>Diary 32, 1920 March 20-21</p>	<p style="text-align: center;">-20<sup>th</sup> -</p> <p>Went to Secretary Payne's office but found it full of subordinates getting up requations[?] for leasing oil &amp; gas lands etc. - saw him only long enough to get a pleasant introduction - would not wait &amp; cannot see him now until after oral arguments in Contest case - next week.</p> <p style="text-align: center;">-21<sup>st</sup> -</p> <p>Ballaine came in the office today in great excitement, to tell me that he is being considered by Sec. Payne for appointment as Mgr. of the Alaska Govt. Rd! etc. I think he is altogether over sanguine - <u>I hope so!</u> I shall not, however, say a word to oppose him for it would assist in outing the other bunch &amp; not make it any worse - may be better.</p>
<p>Diary 32, 1920 March 22</p>	<p style="text-align: center;">-22<sup>nd</sup> -</p> <p>This evening's "Star" has a big story about a dinner last night to Gov. Riggs, tendered by Col. E. Lester Jones, of the Coast &amp; Geodetic Survey - Cosmos Club. Present a number of Senators &amp; Representatives - Jones, Riggs, Grigsby, <u>Dowell</u>, etc. I am greatly disturbed at Dowell's presence for</p>

	<p>he is Chairman of my Elections Com. &amp; I have to begin my arguments before him tomorrow, against Grigsby, Riggs, et. al!</p> <p>Ballaine tells me today he has a strong "stand in" with Sec. Payne, - saw him again this morning &amp; Payne is considering appointing him manager Alaska Rd. etc. Maybe - we shall see!</p>
Diary 32, 1920 March 23	<p style="text-align: center;">-23d -</p> <p>Began argument before the Com. on Elections today - we had much trouble to get a quorum, &amp; only had an hour. Found the Com. in bad humor, and the Republican members heckled &amp; cross examined me about things way in advance, etc. and I had a bad hour. Still I do not fear. We got nowhere but finally adjourned until next Monday evening at 8 o'clock, when I am to continue. The Com. agreed to give me 6 hours - &amp; Grigsby the same time.</p> <p>Ballaine was in this evening &amp; thinks Riggs will be asked by the President to resign.</p>
Diary 32, 1920 March 23	<p style="text-align: center;">23</p> <p>he says he has been tipped that Sec. Payne will request the President to remove him etc. but I do not think so, though there are some indications that point that way. It would create such a row that I cannot think it possible though I pray it is true.</p> <p>I called on Sec. Daniels and talked Naval coal in Alaska. He told me he had made arrangements for authorization and \$1,000,000 appropriation to enable him to secure &amp; work &amp; transport Matanuska Naval Coal, etc. If the Good Lord will incline Sec. Paynes heart to removing Riggs it will be a happy ending to a brief Alaskan nightmare.</p>
Diary 32, 1920 March 24	<p style="text-align: center;">-24<sup>th</sup> -</p> <p>Called on Secretary of Interior Payne this morning at 9 o'clock &amp; found him alone and in good humor and thirsty for information about Alaska. W<sup>m</sup> Blackman called for me at the Hotel with his automobile and was with us all the time during the interview &amp; took part in the conversation at times.</p> <p>I began the conversation by making objection to the Chamberlain - Grigsby Shipping Board bill, and began to point out its dangerous points, etc. Without saying much in reply to my statements and inquiries he rang the bell and asked his clerk to bring him a certain letter written to Senator Chamberlain two or three days ago - which he passed</p>
Diary 32, 1920 March 24	<p style="text-align: center;">24</p> <p>over to me to read as soon as the Clerk brought it. The letter was directed to Senator Chamberlain &amp;, in effect, objected to the bill &amp; requested him to drop it and not pass it. Of course I was delighted &amp; told him so, and that matter was closed. He then began very bluntly to ask me what he should do in</p>

	<p>the matter of better government &amp; legislation for Alaska, but particularly in the matter of the completion of the Govt. Railroad in Alaska, etc. Such inquiries caused me to hesitate, on account of the political difficulties but he brushed all such considerations aside &amp; insisted on my saying freely what I thought ought to be done for the public good etc. I begged off, saying I was not prepared to answer such important</p>
<p>Diary 32, 1920 March 24</p>	<p style="text-align: center;">24</p> <p>inquiries without time for consideration - and before I left he again demanded not my judgment in general terms - but categorically, with names &amp; particulars. I happened to mention that I had called to see Sec. Daniels, yesterday about the Naval interest in coal &amp; transportation - he asked me quick direct questions until it was disclosed that the Sec. of the Navy was to have an appropriation of a Million Dollars in the present Congress for getting out Naval Coal, over the Govt. Rd. whereupon he rang the bell and dictated a letter to Sec. Daniels referring to that matter and asking for cooperation. I also showed him a copy of the oil &amp; Gas law approved by the President Feb. 25, and pointed out in Sec. 22 the "joker" put in my Joslin, for</p>
<p>Diary 32, 1920 March 24</p>	<p style="text-align: center;">24</p> <p>the Guggenheim - Katalla Oil Co - he at once rang the bell &amp; dictated a letter to Asst. Sec. Vogelsang, instructing him to take particular notice of that matter. He said to me during the course of the interview that he had had Gov. Riggs, Leehey and Semmes (or Sims), before him 2 or 3 days ago, and remarked that he had a hard time at the meeting but said, rather aside, that they had "a damned sight harder time than he had." I am convinced that he has a very decided "notion" in his mind to remove Riggs, &amp; I did all I could in the interview to encourage the idea. He asked me to assist him, insisted on it, by giving him my own recommendations as to what HE ought to do in the matters mentioned in our interview!</p>
<p>Diary 32, 1920 March 24-25</p>	<p style="text-align: center;">24</p> <p>I shall at once prepare a statement - a brief - suggesting my ideas &amp; get it to him. I have today prepared a short criticism of two Senate bills introduced by Senator New, of Ind. Sen. No. 4112, and 4113, &amp; will send the critique &amp; bills to him.</p> <p>I have no doubt that he will prevent the passage of the Riggs - Leehey Shipping Bills - &amp; I <u>think</u> he <u>may</u> actually remove Riggs &amp; put a new man in his place!</p> <p><u>Its a beautiful spring day!</u></p> <p style="text-align: center;">-25<sup>th</sup> -</p> <p>Attended hearing before Com. on Commerce Senate, today, on the Alaska Shipping bill - Riggs</p>

	<p>first urged its good points &amp; then introduced Semmes (Sims) his shipping master, who talked for</p>
<p>Diary 32, 1920 March 25</p>	<p style="text-align: center;">25</p> <p>an hour in explanation of the reasons why it should become a law. Senator McNary, of Oregon undertook to convince Semmes that the bill was an unnecessary burden on the people of Alaska, &amp; said the Com. had already practically agreed on changes in the U.S. Shipping Board law to enable such service to be done much better and cheaper by that Board, etc. but nothing could or did quench the flame of Semmes oratory.</p> <p>Present the greatest array of Guggenheim lobbyists I have seen for many days - Riggs, Joslin, Leehey Grigsby, Law, Clark, etc. etc.</p> <p><u>I have prepared a plan for the reorganization of the Alaska Eng. Com. for Sec. Payne, as requested &amp; will take it down to him in the morning.</u></p>
<p>Diary 32, 1920 March 26</p>	<p style="text-align: center;">-26<sup>th</sup> -</p> <p>Went down to Sec. Paynes office this morning - 9 a.m. and delivered to him personally by copy of a Memo of Organization, etc. of Alaska Railroad project.</p> <p><u>The atmosphere was different</u> - Joslin, Riggs, et. al. have been hard at work - evidently, and he was not enthusiastic! He told me Joslin had been there and he had told Joslin that he was informed the Alaska SS. Co. had paid 10% dividends in 1918. Joslin denied it in the most positive way - I then showed the Sec. the Rep. of the Ken. Cop. Corp. for 1918 with the exact statement, and a smile lit up his face feebly. He kept my file of the Rep. etc. for inspection!</p>
<p>Diary 32, 1920 March 26</p>	<p style="text-align: center;">26</p> <p>Still I think they have made an impression - but I dont care much. I have not wanted anything from him except to assist him in getting a correct view of his work on the Alaska Railroad &amp; if he persists in remaining -cross-eyed its his fault.</p> <p>Attended the hearings before the Com. on Com. Senate Semmes was on the stand, &amp; Leehey -but the effort is labored, and will end in a water haul for them.</p> <p><u>Senator Jones promised I should be heard next week after the arguments in my Contest are over.</u> Ballaine says he is going up to see Sec. Payne &amp; offer his services as Chairman of the Alaska Eng. Com!!</p>
<p>Diary 32, 1920 March 27</p>	<p style="text-align: center;">-27<sup>th</sup> -</p> <p>As I entered the Com. Room Senate Com. on Commerce I heard Leehey, the Seattle Atty. for Riggs saying that I was a representative of the Canadian Ry. &amp; SS. interests - as soon as he stopped Senator Jones, Chairman, asked me the</p>

	<p>square question - &amp; of course I denounced it to be untrue. Jones was fine to do it in that way - so as to make the prompt denial in the record.                  They are evidently fighting me very hard - and it is probably the only <u>real</u> argument they have in support of their bill. Both Senators Chamberlain &amp; McNary, from Oregon are attending etc both seem quite opposed to the bill. "Gen." Richardson - "Col Dick" was back at the lobby stand with Joslin &amp; others today.</p>
<p>Diary 32, 1920                  March 28-29</p>	<p style="text-align: center;">-28<sup>th</sup> -</p> <p>Am putting some finishing touches on my Contested Election Argument.</p> <p style="text-align: center;">-29<sup>th</sup> -</p> <p>Went to Sec. Interior Office &amp; got my private file of transportation data: attended hearing Senate Com. on Commerce till noon - then to Supreme Court. Moved admission D.D. Coppernoll, to bar as lawyer, &amp; submitted Petition for Certiorari for John Rustgard in Alaska case.                  ! ! ! ! ! Bunk?  <u>John E. Ballaine has just been in &amp; he tells me confidentially that Sec. Payne has practically asked him to take the appointment of Chairman of the Alaska Eng. Com.</u> He also thinks Riggs will surely be removed from office as Governor.</p>
<p>Diary 32, 1920                  March 29-30</p>	<p style="text-align: center;">-29 continued -</p> <p>Oral argument in Contested Election case began before the Com. on Elections No. 3, Dowell, Ch., at 8 o'clock this evening. The Com. gave me 3 evening sessions for presentation of my side of the case - &amp; this is the first. I used my brief as a guide and got far enough on to get the Com. interested.</p> <p style="text-align: center;">-30<sup>th</sup> -</p> <p>Attended hearings before the Com. on Commerce, Senate, - Leehey &amp; Semmes - accused me &amp; Ballaine of being Canadian Steamship Co. supporters - no fact just his - or their prejudice and animosity.                  We denied the accusation so the record might be complete - I laughed at them.</p>
<p>Diary 32, 1920                  March 30-31</p>	<p style="text-align: center;">-30<sup>th</sup> -</p> <p>Oral arguments continued tonight - I talked 3 hours - and will finish tomorrow night. My voice and arguments sound good to me - and the Com. listens fairly.</p> <p style="text-align: center;">-31<sup>st</sup> -</p> <p>Senate Hearings on the Chamberlain - Grigsby bill seem to have ended - "requeseat in pace."                  Concluded my opening oral Argument in Contest Case before Com. on Elections. It is pretty well done - but not quite satisfactory.  <u>I think the Com. may be against me on the objection to the Indian vote, and they appeared even less sympathetic to my objections on the law</u></p>

	to the Special Election of June 3, 1919.
Diary 32, 1920 April 1-2	<p style="text-align: center;">-April 1<sup>st</sup> -</p> <p>Grigsby began his Oral Argument tonight and spoke for 3 hours. I am afraid to say what I think of his forensic ability - for fear I am defeated - and I should feel worse to be defeated by one who makes so poor an effort. Before he finally concluded, however, he woke up &amp; did better, but as a whole it was not a success.</p> <p style="text-align: center;">-2<sup>nd</sup> -</p> <p>Darrell's 38<sup>th</sup> birthday.          Grigsby talked for four hours to the Com. today - nothing exciting - just talked. He is doing better than yesterday but not well enough to excite my admiration. We begin to count "rejected ballots" in the returns, tomorrow.</p>
Diary 32, 1920 April 3	<p style="text-align: center;">-3d-</p> <p>The Democrats did not attend the meeting of the Com. this forenoon &amp; so none was held. I forgot my hat and went back to the Com. Room at 12<sup>20</sup> &amp; <u>found Leehey there - he held a newspaper so he thought I could not see him but I recognized him &amp; spoke - he also then spoke.</u> The door to Dowells inner room was closed - I went upstairs and sent George down &amp; he found out that it was not Riggs - but we think Semmes (Leeheys expert) who was in with Dowell. I met Elliott, of Indiana, member Committee - told him, <u>but he thinks they cannot impress Dowell</u> - Elliott told me every effort had been made to prevent present hearings but Dowell had urged them along notwithstanding.</p>
Diary 32, 1920 April 4-5	<p style="text-align: center;">-4<sup>th</sup> -</p> <p>Easter Sunday - rainy.          Took an automobile ride in the parks with Debbie but the flowers are not yet out in such quantity as to be interesting or beautiful.</p> <p style="text-align: center;">-5<sup>th</sup> -</p> <p>My opponent threw a "bomb" into my case today by disclosing that the Contested Election Case of Ames, Senator from Miss. in 1870-73, was decided <u>in favor of Ames</u> by the Senate, notwithstanding the unanimous Report of the Senate Com. against him! Wilson Chairman of the Election Com. of last Congress who wrote the Report in the Case of Wickersham v Sulzer quotes that Case &amp; the law</p>
Diary 32, 1920 April 5	<p style="text-align: center;">5</p> <p>stated in that Report as the basis of his decision - it is like depending on a Reversed Case. However a careful examination of the Report in the Ames Case, and the speeches in the U.S. Senate on it shows that the Report and the Law in it were correct statements of the law, while the Act of the Senate in seating Ames was a political necessity in</p>

	<p>one of the Reconstruction States.                  A big negro by the name of Revels, was elected with Ames, by the Negro Legislature of Miss. by the use of Ames &amp; his Army bayonets. Ames was Genl. Ben. Butlers son-in-law "Spoons &amp; Cotton."</p>
<p>Diary 32, 1920                  April 6</p>	<p style="text-align: center;">-6<sup>th</sup> -</p> <p>Finished arguments in the Contested Election case and I am very fearful that I have lost the case! Dowell, Chairman has been unfriendly every moment from the beginning &amp; Chindbloom harshly criticized me for a false slip when they shut me off, and I said that "<u>I am sorry that I cant conclude my case,</u>" - I was not done answering Grigsbys arguments &amp; had no intention of criticizing the Com - but Chindbloom went after me harshly &amp; so did Dowell generally I have lost I think.  <u>Well I am glad its ended anyway.</u></p>
<p>Diary 32, 1920                  April 7</p>	<p style="text-align: center;">-7<sup>th</sup> -</p> <p>Have sent several telegrams to Alaska today - Seward Gateway, Anchorage Times, Nenana times, Henry T. Ray, Fairbanks, M. W. Griffith, Nome, urging all citizens to vote for Herron, National Committeeman, Valentine &amp; Reed, Delegates Rep. Nat. Convention, and especially to oppose Hazelet for Delegate Nat. Rep. Nat Convention because he represents Guggenheim transportation, coal, oil etc. etc.                  Telegrams cost me \$21<sup>60</sup>/<sub>100</sub>.                  I still feel greatly discouraged about my Contest Case.                  My oculist cannot attend to operation on my eyes till the 20th inst. Am closing up my office work fast as possible ready for eventualities.</p>
<p>Diary 32, 1920                  April 8-12</p>	<p style="text-align: center;">-8<sup>th</sup> -</p> <p>Answering letters, etc.</p> <p style="text-align: center;">-9<sup>th</sup> -</p> <p>Debbie &amp; I went over to Baltimore this morning to find if we could, the marriage record of her great grand parents but we did not - though we had a good visit &amp; a happy day.</p> <p style="text-align: center;">-10-</p> <p>In office - working on finishing touches on Bibliography of Alaskan public documents.                  Nothing done in Contest Case.</p> <p style="text-align: center;">-11<sup>th</sup> -</p> <p>Sunday - nothing new.</p> <p style="text-align: center;">-12-</p> <p>Went over to Annapolis, Md. today with Debbie - visited record office &amp; sought Rev. Record Isaac Baker, her grandfather - none found.</p>
<p>Diary 32, 1920                  April 13</p>	<p style="text-align: center;">-13-</p> <p>Am reliably informed - &amp; believe - that Riggs &amp; his Shipping Board lobby went home Saturday - at the personal command of the Sec. of Interior, Judge Payne, who wrote Riggs a letter last week ordering</p>

	<p><u>him to cut both Leehey &amp; Semmes off the payroll &amp; for all of them go home!</u>                  They went on Saturday.                  Found the application of Isaac Baker (Debbies Great Grand Father) for Revolutionary Pension in the Pension office today, together with a long statement of his services etc. Got copy in full for further use.                  Had physical Ex. today - Physician tells me I am in perfect physical condition - <u>only 40 years old!</u></p>
<p>Diary 32, 1920                  April 14-16</p>	<p style="text-align: center;">-14<sup>th</sup> -</p> <p>Nothing new.                  Illinois primaries for Gov. Lowden for Rep. candidate for Resident.</p> <p style="text-align: center;">-15-</p> <p>Found the Revolutionary Claim of Thos. Sims, of Tenn. supported by affidavit of <u>Chesley Sims</u> - the latter being my Great Grandfather - my mothers Grand father. Got a photostat copy, as it is quite important, for it shows clearly that Chesley Sims was too young to have been an enlisted man in the Revolutionary War! but his father Thos. was such.</p> <p style="text-align: center;">-16-</p> <p>Attending to office work, writing letters etc. Saw Senator Jones about Nome Harbor Appro. etc.</p>
<p>Diary 32, 1920                  April 17-29</p>	<p style="text-align: center;">-17<sup>th</sup> -</p> <p>Paid my bills, Keen. \$95<sup>00</sup>                  Prepared by Acts. expenses in two Contested Election Cases, etc.</p> <p style="text-align: center;">-18-</p> <p>Sunday. <u>Have prepared my Contested Elections Account for typing.</u></p> <p style="text-align: center;">-19<sup>th</sup> -</p> <p>Went to Eye Hospital, at #1147, Fifteenth St. for an operation by Dr. Wilmer to remove cataract from my right eye.                  Finished up correspondence, etc.</p> <p style="text-align: center;">-29<sup>th</sup> -</p> <p>Returned from Episcopal Eye &amp; Ear Hospital today. While there Dr. Wilmer operated</p>
<p>Diary 32, 1920                  April 29</p>	<p style="text-align: center;">29</p> <p>on my right eye - he punctured the eye &amp; did the preliminary operation - I must go back in 10 days for the major operation which consists in removing the lens from the right eye.                  Alaska primary on April 27 - telegraphic dispatches say indications my friend Herron defeated                  by McBride who was supported by the Democrats - who had no contest - only having put up a single list of candidates, thus leaving them few to vote in the Republican contest, which they did &amp; thus we <u>may</u> lose. Do not hear anything yet about Hazelets election.</p>

Diary 32, 1920 April 30- May 2	<p style="text-align: center;">-30<sup>th</sup> -</p> Resting my eye, etc. Saw Praeger, 4th Asst. P.M. Genl at his request. He & Brooks of Geo. Sur. & Sant of Shipping Board appt. Com. by Sec. Int. Payne to formulate plans for better organization Alaska Railroad - transportation, shipping etc. & he wishes to come to my office Sunday - for information etc. I am to prepare data for him. <p style="text-align: center;">May 1<sup>st</sup></p> Same as usual - nothing new. <p style="text-align: center;">-May 2<sup>nd</sup> -</p> Sunday: Mr. Otto Praeger 2nd Asst. Post Master General, came to my office & requested me to give him data advice, information etc. to assist
Diary 32, 1920 May 2	<p style="text-align: center;">2</p> him in the performance of his duty as a member of the Com. on Alaska Railroad inquiry. He and Brooks, of Geo. Sur. & Saint, of the Shipping Board will start for Seattle tomorrow & Praeger seems to fear that an effort will be made by the Seattle representatives of the Kennecott Copper Corp. the Alaska S.S. Co. the Pacific Coast SS. Co. etc. to secure advantages in their final Report if not watched carefully & he wished me to give him the facts as I see them. I did so - I gave him my <u>private files</u> - the Rep. Ken. Cop. Corp. 1918, copies of my letter to Lane, objections to Shipping Board Rep. on Alaska Rates, etc. correspondence with Sec. Payne, Geo. C. Hazelet etc.
Diary 32, 1920 May 2	<p style="text-align: center;">2</p> He also asked me to give him letters to trustworthy friends. & I do so tomorrow by giving him letters of introduction to John P. Hartman & E. R. Peoples. <p style="text-align: center;">-3<sup>rd</sup> -</p> Hear today that-George C. Hazelet has had Chas. E. Herron, arrested for libel in charging him with being concerned in the Keystone Canyon Killing - where Hazey shot some of the Home Rd. employees - about 1907, and has also sued him in civil action for \$50,000. damages. Evidently the Guggs intend to suppress all criticism of their agents. Delivered letters to Praeger introducing him to Hartman & Peoples in Seattle.
Diary 32, 1920 May 4-7	<p style="text-align: center;">-4<sup>th</sup> -</p> Nothing new. Eyes getting better. <p style="text-align: center;">-5<sup>th</sup> -</p> Same as yesterday. Politics - primary elections - throughout country interesting <p style="text-align: center;">-6-</p> Same as usual. A month since the final argument in the Contest

	<p>Case - and no sign from the Com. yet.                  -7-                  Nothing - except news that my friends were defeated in the Alaska primaries - Guggenheim candidates won except, of course, Sutherland won - having no opposition!</p>

<p>Diary 32, 1920                  May 10</p>	<p>10                  got a letter from Chas. E. M. Cole in the 40 Mile district, Alaska, saying the Com. <u>had reestablished the precincts which were abolished &amp; which lost me the 1918 election!</u>                  And also the Juneau papers <u>announce the resignation of Wm. F. Mahoney, Democratic Com. at Ketchikan who did the criminal work in that &amp; Charcoal Point precincts at the same election!</u>                  The Democratic officials in Alaska know the facts &amp; appreciate my Brief &amp; its charges, <u>even if the Republican committee in Congress will NOT.</u></p>
<p>Diary 32, 1920                  May 11-12</p>	<p>-11<sup>th</sup> -                  Interviewed Senator Norris, of Neb. about conditions surrounding Republican Delegates to the Nat. Con. - also Senator Johnsons secretary &amp; also Poindexters Sec. - but with no result. We are all at a loss to know just what is best to do. Think I will send warning telegram to Judge Marshall, at Juneau, - to prevent issuance of Cert. of Election until Returns are properly canvassed, etc.                  -12<sup>th</sup> -                  Have concluded not to meddle with the primary elections in Alaska. Bunnell will be heard when he comes &amp; further</p>

	<p>action was not determined - although I will probably                  he heard after I get out of the Hospital.</p>

Learned in Grigsby's statement that the House                  Com. Will be in hospital for 10 days or more. Darrell is                  now with his mother at Congress Hall Hotel.</p>
<p>Diary 32, 1920                  May 30</p>	<p style="text-align: center;">-May 30-</p> <p>Was discharged from the Hospital today to go to                  the Hotel with Debbie. Of course my eyes are so                  bandaged &amp; shielded by dark glasses that I cannot                  use them - but rest &amp; time will bring recovery -                  The operation for the removal of the Crystalline                  lense in the right eye was successful &amp; Dr. Wilmer                  says I will recover a fair sight in the eye in time.                  I am greatly disturbed at the talk of the                  adjournment of Congress this week - which will                  leave my case unsettled - undecided!</p>

Diary 32, 1920 July 13	<p style="text-align: center;">-13-</p> <p>Wrote letter to Bill Taylor, at Kantishna offering him 1/4 my interest in mines for doing assessment work. Also sent letter to Delbert Gam Point Barrow, by Rev. Condit, about Oil locations there. Saw Nettleton &amp; Wood, of P.I. and Looering, Ed. Times, about Alaska "<u>jokers</u>" in Merchant Marine Act. - some surprise but little sympathy! They seem to think it is o.k. to give the Steamship Co. the best of it - even by a trick - in Alaska transportation.</p> <p>Debbie went up to Buckley today with Jennie, for a short visit.</p>
Diary 32, 1920 July 14-15	<p style="text-align: center;">-14-</p> <p>Called on Judge Hadly, also on Judge Chadwick - talked with Chadwick about his candidacy for U.S. Senator, etc.</p> <p>Long consultation with Chas. I told him it was my judgment that the Sec. was unconstitutional and void because in conflict with the terms of Sec. 8, Art 1. of the U. S. Const. etc. Arrived in Vancouver at 7 p.m. &amp; returned home at 11 p.m. on the Canadian boat. Capt. Nicholson seemed greatly interested in my</p>

<p>Diary 32, 1920 July 27-30</p>	<p style="text-align: center;">-27-</p> <p>Reached Seattle this morning at 8 a.m. from Vancouver.</p> <p style="text-align: center;">-28-</p> <p>Studying the law relating to the constitutionality of Sec. 27, of the Merchant Marine Act of 1920 at Hartmans office.</p> <p style="text-align: center;">-29-</p> <p>Spent the day in making careful study of the Const. Sunday.</p> <p style="text-align: center;">-2-</p> <p>Bought my ticket &amp; packing to go to Alaska tomorrow - on SS. Spokane. Parsons, V.P. Dexter Horton Nat. Bank urges me to remain in Seattle &amp; not settle in Alaska for business. Arranging affairs &amp; ready to go. Left Debbie \$400. She will go to Tacoma tomorrow to visit the Olds - our friends - &amp; then she will go to Grays Harbor to visit with Mrs. Patton - McMillan for a week.</p>
<p>Diary 32, 1920 August 3-4</p>	<p style="text-align: center;">-3d-</p> <p>Left Seattle at 10 a.m. on the "Spokane" for Ketchikan. Debbie left at the same hour for a visit &amp; luncheon at Tacoma with Mrs. Olds, and she will go on from there to Grays Harbor for a visit for a week with Mrs. Patton. Jennie was also down from Enumclaw to send Helen &amp; some other Buckley girls off on the "Jefferson" on a round trip to Skagway &amp; other Alaskan points. A glorious day - clear &amp; warm &amp; the inland seas glisten like silver in the sunshine.</p> <p style="text-align: center;">-4-</p> <p>Queen Charlotte's Sd. for dinner - a beautiful day.</p>
<p>Diary 32, 1920 August 5</p>	<p style="text-align: center;">-5-</p> <p>Reached Ketchikan at 2. p.m. and went to the "Stedman" Hotel - I have always stopped at the "Revilla" but I learned Grigsby had his headquarters at the Revilla, and tonight it is best not to go there for that reason. Attended meeting of the Pioneer Lodge - when the SS. "Jefferson" came in &amp; went down to see Helen &amp; her party, but</p>

	<p>could not find them. They were probably up town shopping.</p> <p>Grigsby is to have a meeting Saturday evening, and Dale Hunt, Republican Mayor is to preside - the first evidence that the McBride crowd will</p>
Diary 32, 1920 August 5	<p style="text-align: center;">5</p> <p>assist in defeating Sutherland. I intend to inform them tomorrow of my purpose to send the evidence from day to day to the Rep. Nat. Com. and I hope thereby to drive them to more secret practices - for they want to defeat Dan, so they may have the whole power of controlling the patronage in case Harding is elected President, and if their only activity in politics is to work to defeat the local Rep. candidates it will not leave them a strong argument in their appeal for Republican offices! I think I may be able to scare them into more secret methods of work, at least - for they are, silly asses!</p>
Diary 32, 1920 August 6	<p style="text-align: center;">-6<sup>th</sup> -</p> <p>Had a talk with Heckman &amp; he said he would talk to Dale Hunt &amp; get a meeting with me with a view of persuading him not to reside at the Grigsby meeting tonight - but since then I have talked to Hunt, Sr. who is the Rep. candidate for Territorial Senate, and he informed me that he had an interview with Dale today &amp; that his son had said he would not act in that capacity &amp; had so informed the Democrats.</p> <p><u>However, Heckman &amp; the whole "fishtrap" interest here are against Sutherland!</u> without they are changed.</p> <p>Grigsby holds his political meeting at Red Mens Hall tonight - It is his opening campaign speech.</p>
Diary 32, 1920 August 7-8	<p style="text-align: center;">-7-</p> <p>Grigsbys meeting last night was well attended, but not exciting and evidently without any particular effect. He made no special impression and no pronounced good was accomplished for his cause. Met Capt. of the G.T. SS "Tillamook" &amp; explained to him in detail the Alaska joker in Sec. 27 of the Merchant Marine Act, 1920, also to Heckman.</p> <p style="text-align: center;">-8-</p> <p>Sunday. Walked up to Ketchikan Lake - a beautiful mountain trail. the lake and the waterfalls down the creek gave me much pleasure. Had a drive with the Heckman's &amp; took dinner with them. Diary 32, 1920 August 9	<p style="text-align: center;">-9<sup>th</sup> -</p> <p>Had a talk with Strong, who controls the Ketchikan "<u>Chronicle</u>" he is in favor of the Jones Bill, &amp; especially Sec. 27, and will control the business interests here in its favor! <u>I Fear</u>.</p> <p>Also long talk with Rivard, who long published the Ketchikan "Progressive - Miner" - sold it to the</p>

	<p>crowd headed by Ryus , - it became bankrupt with the failure of their bank, and is now for sale again. Rivard told me he was now ready to start up his new paper - as a Republican paper &amp; intended to support me for Governor!                  Maybe I can get him to support Sutherland for Delegate.                  Gov. "Bill" Sulzer came to K – out this afternoon boat.</p>
<p>Diary 32, 1920                  August 10-11</p>	<p style="text-align: center;">-10-</p> <p>Same as yesterday. Raining. Visited with Rivard today - looked at his house etc. - he offers to sell me a lot near him - on the top of the lowest bluff - with a fine outlook across the Narrows and a beautiful view of the mountains. Strong has got the business men here to quite agree with his view that the Jones bill cutting Alaska off from the Grand Trunk Ry. is the only way to build up Ketchikan - <u>what fools these mortals be.</u>"</p>

So it seems a good time to break into the business here, and I do it rather than to go to any other place in the Territory at this moment. Recd. letter from Debbie this evening saying she is ready to come at any moment - but she is very comfortable in the Terry at Seattle & I will write to her to ship some of our things - & some of my books, etc. at Buckley & not have her come until I get a good place ready for her. I think I shall get rooms at the Zynda Hotel for this winter & fix them up nicely for her.
Diary 32, 1920 August 19	19 [clipping]  THE ALASKA DAILY CAPITAL, THURSDAY, AUGUST 19, 1920. Committeeman in Accord With Candidate Sutherland THE VOTERS OF ALASKA: August 18, 1920 In his opening campaign speech at the Coliseum Theatre at Juneau on the 17th inst., Mr. Grigsby, the democratic candidate for delegate to congress appealed to the republican voters in Alaska for support upon the alleged grounds that he would work with the republican national committeeman for Alaska in the matter of recommending republicans for appointment to the territorial positions more agreeably than Mr. Sutherland would, and that harmony did not prevail in the republican party and therefore requested Republicans to vote for him instead of his Republican opponent. I wish to state at this time that Mr. Sutherland, the Republican nominee for delegate to congress and myself are in accord and that perfect harmony prevails and that when Senator Harding takes office as president of the United States of America March 4th next, no democrat will be consulted by myself regarding the distribution of offices in Alaska. In repudiating this attempt of Mr. Grigsby to create distrust and dissension in the Republican party and to cast doubt on my loyalty to my party and my duty to support its candidates, I most earnestly appeal to all Republicans and other good citizens in Alaska to rally around Mr. Sutherland and all other Republican candidates and give all of them such a large majority as well demonstrate the loyalty of the people of our territory to HARDING, COOLIDGE, AMERICANISM AND GOOD

	<p>GOVERNMENT.                  Signed:                  J. C. McBride,                  Republican National                  Committeeman                  for Alaska.</p> <p>I wrote the draft of the above statement yesterday                  &amp; read it to Earl Nand and Willard.</p>

Still it is a good document &amp; will greatly assist us in                  securing harmony in the Party &amp; Dan's election. I                  shall be greatly interested to see what Troy says in                  his Editorial in the "<u>Empire</u>" about it - if anything!                  Dan's election seems quite certain to me - but it is                  more than 2 months till election - &amp; things can                  happen.</p>

There were present, besides the Cobbs, Mrs. Sutherland, Judge Hubbard, Mrs. Johnson (Mrs. Cobbs sister) &amp; Lang Cobb - the son.                  Mrs. Sutherland had baked a fine large and excellent cake, and it was brought to the table with candles - 6 large ones &amp; 3 small ones. The chief Democrats had a meeting after the McB. statement was printed &amp; they have been fluttering like a wounded bird ever since &amp; now are trying to get McB. to think he was worked. <p>Diary 32, 1920 September 4</p>	<p style="text-align: center;">4</p> <p>these days and from day to day give me free advertising - the following is a sample -</p> <p style="text-align: center;">THE LESSON OF POLITICAL HSTORY.</p>

	<p>The collapse of the Democratic party toward the close of the Buchanan administration over irreconcilable differences of principle and methods of dealing with slavery and again during the Cleveland administration, over populism and financial problems, and the collapse of the Republican Party during the Taft administration between the standpatters and the progressives, shows how impossible it is for a party to serve the people when there are wide differences of opinion among the leaders and a sharp cleavage between factions of the masses.</p> <p>The disaster of a divided party in power threatens Alaska at this time. Last April two irreconcilable factions of Republicans struggled for control of the party organization. On the one side there were the Wickites and Socialists and devotees of all the isms. On the other was the business and developing and working element of the party. The latter won the organization, but the other faction, through default, won the candidate for Delegate to Congress.</p> <p>Do people have any idea that the Rep. party of Alaska can serve the people half Wickite and half real Republican? The sane, developing and working element of the Republican party would complete the work it started when it defeated the Seattle Wickite Herron, promoter of defunct corporations, for National Committeeman and the Juneau Wickite Valentine for Delegate to the Republican National Convention, it should now defeat the Wickite Sutherland for Congress. With that done, the Republican Party of Alaska with J.C. McBride, of Juneau, for National Committeeman, and John R. Beegle of Ketchikan, George C. Hazelett of Cordova, T.A. Marquam of Fairbanks and G.J. Lomen of Nome for Territorial Committeemen, could and would serve the people well. But with a Wickite in Congress, and Judge Wickersham at his elbow, there would be no chance to Repts to serve the People with satisfaction to anybody.</p> <p>Many people declare Troy is crazy in his opposition to me &amp; I say never a word.</p>

Troy and the Empire Printing Company calls for \$25,000 alleged damages. The plaintiff is John Rustgard, Republican candidate for attorney general, who claims that a libelous article was published in an editorial in the Empire September 8. He asks judgment on that account.</p> <p style="text-align: center;">Caused by Editorial.</p> <p>The suit is the culmination of a series of articles hostile to Mr. Rustgard, which have recently appeared in the Empire. The editorial causing the suit charged the candidate with having stated at his meeting at Petersburg that "his conduct had been so exemplary since he became a citizen of Gastineau channel that he had become known as 'Honest John.'" The editorial adds: "That reminds us of the old advice to watch the man who needs to have his virtues labeled. Sometimes these labels are originally bestowed in sarcasm."</p> <p style="text-align: center;">Claims Charge false.</p> <p>Mr. Rustgard claims that the charge against him by the Empire is utterly false and without foundation. Neither at Petersburg nor at any other place where he has spoken in public, he asserts, has he referred to himself or his own candidacy, and he insists that there is no excuse for charging him with having indulged in self-laudation of any kind.</p>

The pitiful part of the mistake is that it was entirely unnecessary - for Dan could have been elected without it with the greatest ease, &amp; will be anyway - but it leaves him powerless and an object of contempt even to his enemies. He will be no more in the real political situation in the Territory than a white chip in a poker game - He has sacrificed himself - his friends and his standing - I am horribly chagrined at his conduct.</p>

She was a fine sweet girl.                  Trouble today between Valentine &amp; Dan - Val. withdrew all support from Dan, and criticized him severely for betraying his friends. There does not seem to be any excuse for it except that Troy has "<u>buffaloed</u>" him - aroused his petty jealousy by calling him a "Wickite" thereby forcing him to betray them to escape the name! Then there is George Hazelet, whom the Cordova and Anchorage Republican clubs have endorsed, and who runs neck and neck with Mr. McBride in point of popularity and political claims.</p> <p>Grouped in the field, but as yet expressing no sentiment as regards the question, are J. They also advance that Mr. McBride knows Alaska and its needs, is familiar with the problems necessary to its development, and that he has a broad-gauge view of the policies looking to that end.</p> <p>Mr. Hazelet's friends support their claim with the argument that he has tremendous influence in on of the largest constituencies in the territory and was a tower of strength to his party, as well as possessing the qualifications fitting him for the important office of governor.</p> <p>Naturally, the old cry of big business will intrude itself in connection with Alaskan development, but as yet</p>

In both cases the party may be looked to to give a square deal. Alaska needs big capital for development, but it is not necessary that it receive any favors-only laws that will allow of development unhampered by obstacles having no merit. We want big capital to com in under the assurance it will receive fair treatment. These conditions must be met as they arise and every encouragement will be given both to the individual and big business to utilize their energies to the fullest."</p> <p>The consensus of opinion is that search should be made outside Alaska for a governor; that there is sufficient material in the group mentioned from which to select a man who would fill the position with credit to himself and the benefit of the territory.</p> <p>[clipping]</p> <p style="text-align: center;">DELEGATE-ELECT DAN SUTHERLAND TO WASHINGTON Leaves Tonight to Review and Get Acquainted With Congress.</p> <p>Delegate-elect Dan Sutherland will leave Juneau tonight for Washington, D.C., to get into touch with the</p>

A considerable number of people have signed these.</p> <p>When seen by a representative of the Empire at his office this afternoon, Judge Wickersham, referring to the above dispatch said: "I always have considered, and still do, that Cash Cole is a young man of most excellent judgment." Asked to make a statement regarding these positions, Mr. Wickersham said he would take the governorship if it were offered to him and he did not know of a man</p>

	<p>in Alaska who would not accept it. He stated, however, that it would entail personnel financial loss to him to do so as he could make more money practicing laws in Juneau which is what he is planning to do right now.</p> <p>Regarding his own candidacy, Mr. Wickersham had nothing further to say but declared in emphatic terms his opposition to the candidacy of George C. Hazelet, of Cordova, who up to the present time has been the only avowed candidate for the office of Governor.</p> <p>A representative of The Empire called on J.C. McBride, Republican National Committeeman, this afternoon and showed him the dispatch from Ketchikan, asking him if he had any information. He replied that it was news to him. saying: "As I have stated heretofore, I have not made any recommendations for any office."</p>

Before I should become a candidate I would like to know what the people of the territory think, in larger numbers," stated Judge Wickersham to the Capital today when told that reports had been received from Ketchikan that petition was being circulated at that place by Cash Cole urging him to become a candidate.</p> <p>When asked regarding the statement that a petition was being circulated at Ketchikan by Mr. Cole, Judge Wickersham said, "I believe that Mr. Cole is a man of excellent judgment."
